

🔗 From Automation Potential to Responsible AI Agent Deployment

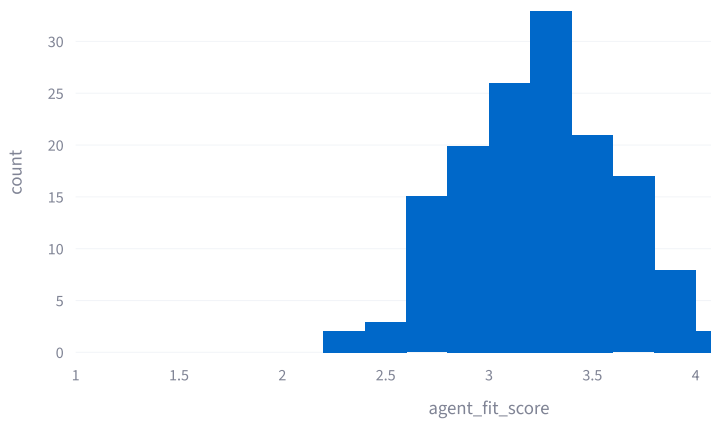

Tasks	Occupations	Avg Desire	Avg Capacity	Quick Wins
147	17	3.21	3.56	33

🔍 Key Insights

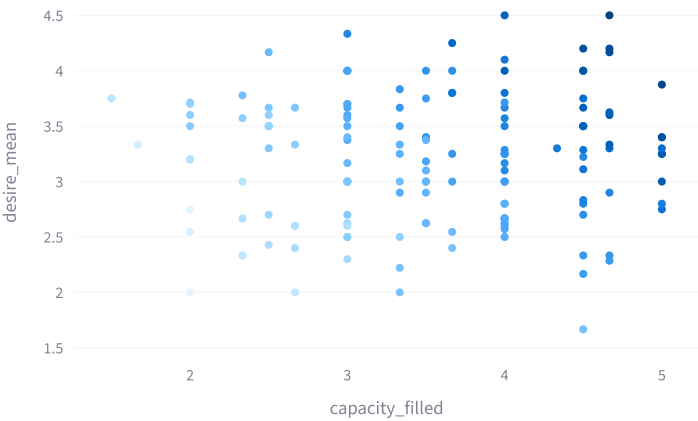

- Occupation with highest AI Agent Fit: **Web Administrators**
- Occupation with largest Trust Gap: **Database Administrators**
- High potential tasks are concentrated in **high capacity + high desire** quadrant
- Risk mainly comes from **high human agency & job security concern**

1. Foundation 2. Tension 3. Trust & Gap 4. Autonomy 5. Risk 6. Recommendations
